Below we describe only the basics of getting a gps up and running For a full description of all options read Options Setting

Make sure your GPS is not being used by some other program!!!! Only one program can at one time use the connection.. The User Manual is installed on your computer when the program installs Excellent reference manual.. Boaters can benefit from this because they would not have to purchase a dedicated chart plotter which is rather expensive. [Server Metin2 Gata Facut In Romana Pvp Servers](#)
